

IMS Environmental Protection Policy

Auckland Abrasive Blasting & Coating (2005) Ltd has established this Environmental Policy to be consistent with the purpose and context of our organization.

It provides a framework for the setting and review of environmental objectives in addition to our commitment towards the following:

- Protect the environment, including the prevention of pollution.
- To sustainable resource use, climate change mitigation, protection of biodiversity and, ecosystems.
- Confirm to applicable legislative, regulatory and, compliance obligations.
- Continually improve our Environmental Management System and to enhance environmental performance.
- To comply with ISO 14001:2015 and PAS 99:2012.

We have produced environmental objectives which relate to this Policy and they can be found in document [Environmental Objectives](#).

This Policy is communicated to all interested parties as well as being made available to the wider community [through publication on our website](#).
